

SUNDAY SCHOOLS IN ANACOSTIA TO HAVE ORCHESTRAS

Music Will Be Added in
Hope of Increasing In-
terest in Services.

WASHINGTON TIMES BUREAU,
ANACOSTIA, D. C., APRIL 26.

The Sunday school departments of two churches in Anacostia have undertaken to add interest to their regular Sunday exercises by utilizing the services of orchestras, which, it is believed, will become features of the programs of the schools concerned.

In the Garden Memorial Presbyterian Church, on Minnesota avenue, the orchestra has been organized, and has already rendered efficient service at Sunday exercises. It is composed of Charles Appel, Richard Swindells, and George Maier, violinists; Mrs. Daisy Garden, cornetist, and Miss Florence Cummings, pianist. It is likely the size of the orchestra will be increased as its services continue.

The officials of the Sunday school of the Anacostia Methodist Episcopal Church have now taken up the subject of organizing a large orchestra. Jacob Moody, of Washington, has been chosen to organize the musicians and to train them. A number of young musicians are connected with the school, and they have signified their intention of affiliating with the musical organization about to be formed, and which Superintendent Arthur H. Suit is anxious to bring into service at the earliest opportunity.

Mrs. J. F. Tice, president of the Ladies Guild of the Eastern Memorial Protestant Episcopal Church of Congress Heights, is at the head of a staff of church workers who have started a rummage sale in an Anacostia hall in Nichols avenue, where they will dispose of articles for the next week. The sale is being carried on under the auspices of the Ladies Guild. The object is to obtain funds with which to supply furnishings for the church, as the guild has presented a number of articles for altar and chapel use recently to the parish.

An interesting session of Anacostia Council, No. 16, Junior Order of United American Mechanics, took place last night in the Anacostia Masonic Hall. Nolan E. Kemper, councilor, was in the presiding officer's chair. The death of Charles Davis, formerly of the United States navy, a member of the council, which occurred at his home in Stratford, Va., was reported.

Several addresses were made by members of the council touching upon the flourishing condition of the organization, the membership in which, it was stated, has reached 25, many applicants having been admitted within a recent period. More initiations are being arranged for.

The vacation season of the members of the fire department in Anacostia has begun, and Robert W. Jones, private No. 15 fire engine company, is the first man to take his annual leave. He is spending his time off duty at his home in Congress Heights.

While under arrest in the Eleventh precinct station house last evening, Emory Wilson, 27-year-old private, living at 516 E street southeast, became so ill that the patrol wagon was called and he was removed to the Casualty Hospital.

Charles J. P. Weber, member of the mounted squad of the Anacostia fire force, is absent from duty owing to the death of his mother. Policeman P. J. Whelan, of the Congress Heights district, has returned to his post following the death of a sister. Policeman D. J. Garvey, desk clerk, has been given a portion of his annual leave, and Policeman G. W. Kramer, another desk clerk, has returned to duty. Policeman Karl Scherer has moved with his family to Congress Heights, following his assignment to the Anacostia squad from the Georgetown station.

Mrs. Louise Burns, Miss Bernice Simmons, and Miss Louise Simmons, all of Buffalo, N. Y., who have been the guests of Mr. and Mrs. George F. Fryer, in U street, have returned.

Citizens of Congress Heights are of the opinion that the movement to cause the Washington Railway and Electric Company to remove its overhead wires along Nichols avenue, in Anacostia, and to place them underground, will not interfere with the plans of the company to equip the line with a double track up the Nichols avenue hill in order that their suburb may have the benefit of through street car service to and from the city. The plans of the company in this direction were to be held up, according to the statements made by General Harries as quoted by representatives of the Anacostia Citizens Association, until it was ascertained whether the Commissioners will insist upon the railroad company putting its wires underground in Anacostia at this time.

In any event the residents of Congress Heights say that they are convinced that the railroad company, which made plans for the double-track extension some months ago, will accede to the wishes of the people of Congress Heights and install the through car service. They have committees at work to this end.

**Gary Not Opposed to
Farmers' Free List Bill**

BALTIMORE, April 26.—Chairman H. Gary, of the United States Steel Corporation, in a dispatch to the Manufacturers' Record made public today, said he hoped that work on the American Steel and Wire Company plant at Birmingham would not be stopped because of the tariff discussion.

He said that while the farmers' free list bill might materially affect the Birmingham district the Corporation would not assume any antagonistic position against it.

WHEELING, W. VA., April 26.—Miss Alva Evans, trained nurse, answered "emphatically no" when asked on the witness stand if she is to become the wife of John O. Schenk. She made her denial during her testimony in the divorce proceedings of Dr. Schenk, who seeks a separation from Mrs. Laura Farnsworth Schenk.

The witness, Miss Evans, was one of the nurses who took care of Schenk during the illness alleged to have been caused by poison administered by Mrs. Schenk.

Leesburg Citizens Plan Fine Connecting Highway

The construction of a fine highway connecting Leesburg, Va., with Washington will soon be commenced, if the plans of the Leesburg and Washington Good Roads Association are carried out. The association, at its formation at Leesburg yesterday afternoon, raised \$7,000, and it was said that the subscription of the rest of the \$30,000 required would be easily made.

Henry Fairfax was elected president of the association; William B. Hibbs, vice president; H. H. Trundle, secretary, and P. E. Saunders treasurer. The executive committee will be composed of the executive officers of J. G. Hopkins, Robert N. Harper, E. B. White, W. E. Linn, W. C. Buntin, R. R. Walker, John R. Hutchinson, and Joseph Nichol. Mr. Hopkins subscribed \$5,000, and R. N. Harper \$1,000, and they promised to add like amounts if the people of Leesburg community would raise \$10,000. A Leesburg citizen anonymously gave \$1,000.

Lester E. Boykin, of the Goods Roads Division of the Department of Agriculture, gave an illustrated lecture on good roads at the meeting yesterday.

Negro Talks Against Separation of Races

Classing "Jim Crow" laws as barbarous, agitation against segregation of negroes has been revived in the District through an address by William Monroe Trotter, of Boston, before the Bethel Literary and Historical Association. Mr. Trotter, who is president of the New England Suffrage League and of the Boston Literary and Historical Association, inveighed against class distinctions and discrimination because of color. He urged colored people to resist and resist race separation, denounced as "color-phobia." He also urged persistent suits against "Jim Crow" legislation.

The Lorimer Filibuster Described in Munsey's

To Senator Crawford of South Dakota was assigned the distinction of carrying the first night of continuous sitting. Senator Crawford had made the first great speech against Lorimer, and when the question was raised of furnishing a whole night of conversation, he declared himself equal to the task. Early in the evening, as always happens on such occasions, the gallery was filled, the Senators stuck pretty closely to their places, and the victorious periods of Senator Crawford's denunciation were followed with interest. From time to time, parties of spectators in the ladies' galleries, becoming bored, would march down to the restaurant for a sort of between-the-acts supper. The restaurant did a land-office business in broiled lobsters and pate de foie gras.—Munsey's Magazine.

Boulder Falls Through Roof; Kills Sleeping Man

LITTLE FALLS, N. Y., April 26.—Frank Vanwie, a boarder in the home of John Youssef, was instantly killed in his bed by a boulder, eight feet square and weighing nine tons, which became loosened by the recent heavy blasting on the canal, and rolled from the top of a cliff 325 feet high, crashing through the top of the house.

FRECKLES GONE

"Simple Remedy From 9 Best Drug Stores and People's Pharmacy Removed Them," Says Society Lady.

"The best skin specialists told me that nothing would remove my freckles and that I would carry them to my grave," said a well-known society woman, "but I fooled them all with a new drug, ointment—double strength, that I bought at 9 Best Drug Stores, People's Pharmacy, which cleared my skin and gave me a fine complexion." The action of ointment is really remarkable, for when applied at night, many of the freckles disappear entirely by morning, and the rest have begun to fade. An ounce is usually all that is needed, even for the worst case. Be sure to ask 9 Best Drug Stores, People's Pharmacy, for the double strength ointment, as this is sold under a guarantee of money back if it fails to remove the freckles.
